Contact Information for Sponsoring Organization and Mentor

1. Organization/Agency:
2. Name of mentor:
3. Address:
4. Phone:
5. Email:
6. Website:

Internship Information *(This information is important to help us advertise)*

7. Number of internships available:

8. Title of Internship (something short but interesting):

9. Internship description - What is the purpose? What will the intern do?

10. Where will the intern be based when not involved with course work?

10. Do have specific qualifications required for the intern selected?

Financial & Other Needs

MSI would like to make the program as affordable to the students as possible. We fill that this will help secure the highest caliber candidates and the greatest degree of diversity. Any commitments to contribute to a stipend would be used to support students directly, and help students meet the costs of the program. Would you or your organization be able to contribute to student tuition by:

11. Contributing to a stipend? If so, how much?

12. If the internship is located outside of Silverton or Durango would your organization be able to provide lodging for the intern or be able to direct students to affordable lodging options?

13. Will the intern need their own transportation to participate in the internship?

14. Can you provide a computer with appropriate software (i.e., Microsoft Powerpoint) to enable the student to make a poster presentation?

Other Info

16. Is there any other information you'd like to provide?
17. Do you have any questions?
